## AGENDA REQUEST FORM

#### PLEASE NOTE THAT AGENDA ITEMS MUST BE SUBMITTED IN ADVANCE OF THE MEETING IN LINE WITH THE TIMESCALES SCHEDULE THAT HAS BEEN CIRCULATED

<u>**Please note**</u> the clerk will endeavour to include your request, however the clerk will decide its suitability in line with statutory guidelines and other agenda items may take precedence.

NAME:	Ryan James	DATE:	<u>30/03/2024</u>
-------	------------	-------	-------------------

**AGENDA ITEMS -** INSERT WORDING TO APPEAR ON THE AGENDA. REMEMBER TO MAKE IT CLEAR WHAT YOU ARE ASKING COUNCILLORS TO DECIDE. PLEASE ALSO NOTE IF YOU ARE LOOKING FOR A SPECIFIC RESOLUTION.

"To consider..." "To note..." "To review..." "To agree...."

To Approve Purchase of 'Decisions' Agenda and Meeting Management Software

**BACKGROUND INFORMATION -** INSERT AS MUCH INFORMATION AS POSSIBLE SO THAT COUNCILLORS HAVE THE DETAIL THAT THEY NEED IN ORDER TO MAKE AN INFORMED DECISION.

'Decisions' agenda and meeting management system is provided by CloudyIT – a partner of One Voice Wales and supplier of IT solutions to Town and Community Councils across Wales and England.

The system allows the Clerk and Councillors to work smarter, collaborate more effectively and engage better with the community. Seamlessly plan, run and follow up meetings from Microsoft Teams using the Decisions app. Decisions integrates into the existing collaborative Teams experience so that your council staff can quickly and easily access lists (such as for upcoming meetings, recent meeting notes and past meeting outcomes) from tabs within Microsoft Teams.

The system offers the following features:

Build WCAG 2.1 accessible agendas and minutes in minutes, using standardised templates.

Effortlessly combine the agenda and any supporting papers into a single shared document.

Easily available for councillors on mobile phone and tablet – simply download from Google Play or the Apple App Store.

Invite guests as presenters, contributors, or participants, and add them to one topic or the whole meeting. The smart-text feature recognizes tasks and decisions during notetaking and syncs them to Planner. Participants receive instant email notifications for tasks. A visual cue tracks agenda items based on their allotted time to keep meetings on schedule. Run official voting directly from Microsoft Teams through a secure and orderly process. Attendee preparation and agenda quality, as measured by the meeting engagement score improved 76% among active users of decisions. Time spent coordinating meetings is reduced by 30% - planning, managing updates etc. 70% of customers say they experience more energy and productivity in meetings organised with decisions. In the week prior to a Council meeting, the Clerk's weekly hours are spent preparing for the meeting, allowing no time for other work. There is also preparation time for HR/Personnel Committee and the new Events Committee meetings. The following other tasks need to be completed (not an exhaustive list): Additional demands from Welsh Government on Community Council's Manging the Community Centre Managing the weekly Community Hub Budget monitoring Payroll Accounting Grant applications and grant monitoring Internal and external audit preparation Website and social media updates Policy implementation and updates to existing policies; Follow-up tasks from Council meetings and Community Councillor queries, General day to day tasks are all a stretch on the Clerk's limited part-time hours. Some time needs to be freed up in order to allow more efficient completion of tasks and to focus more time on community engagement work. **BACKGROUND DOCUMENTS** LIST NAMES OF ANY DOCUMENTS OR SUPPORTING INFORMATION TO BE ATTACHED. ALL DOCUMENTS MUST BE SUBMITTED WITH

THE REQUEST.

The Clerk has received a demo from CloudyIT on the system. It is implemented in several other Community Council's in Wales, and Parish Council's in England.

**COSTS -** INSERT DETAIL OF COSTS ASSOCIATED WITH THE DECISION THAT YOU ARE ASKING THE COUNCIL TO MAKE (IF KNOWN).

£1000 to purchase the system.

Note the 'Miscellaneous' budget has  $\pounds176.55$  underspend. We are also due  $\pounds1405.48$  VAT refund which will more than adequately cover the cost.
